Dear Mr. Keagle:

Thank you for your recent application for funds from the Middle Tennessee Natural Gas Utility District Project Hometown Help Program. The District's Commissioners acted favorably to your request and enclosed is a check in the sum of \$750.00 for your project. Please encourage others to contribute to Project Hometown Help by rounding-up their gas bill. In recent times, many customers have withdrawn from the program causing grant funds to decline.

Your service in this area is greatly appreciated.

Sincerely yours,
